THE SQUARE BALLROOM

The Square Ballroom is a combined concept of Modern Classic atmosphere which express elegance in a very glamorous way. The Square Ballroom's main diversity will quickly show once guest walk through the entrance main door of the ballroom. The calm, modern and classic, yet sophisticated design will suit into any decor that you have in mind.

The Most Strategic Location

The Square Ballroom Surabaya - Luxurious Ballroom in the most strategic location in ICBC Centre jl. Basuki Rahmat 16 - 18, which we know as the heart of Surabaya, "the golden triangle" between the widest road, the busiest shopping centre, and the capital of government activity. ICBC center are complex combination between modern buildings with tenants such as Ranch Market, Indoor & Outdoor Cafe.

The Square Ballroom prioritizes serving quality above all. Exceptional 5 star quality control and superb training of human resources will ease our guest while they are having a delightful event at the ballroom.
